

My Keyboard

Look at this picture. What's wrong with it? Can you fix it?

How many white keys are there on **YOUR** keyboard?

How many black keys are there on **YOUR** keyboard?

Step up the white keys saying “step, step...”.

When you step up the black keys sometimes you have to skip!

How many skips can you find?

Play the black keys and name the steps and skips.

My Musical Pictures

Draw some pictures and create musical sounds to match them.
Make them different so they'll need different musical sounds!

Play one to your teacher or a friend without telling them which it is.
Can they guess which picture you're playing?

Black Crow

High low high low

Flies the black crow

The image shows two staves of musical notation. The top staff has four notes: the first is on the top line (High), the second is on the middle line (low), the third is on the top line (high), and the fourth is on the middle line (low). The bottom staff has four notes: the first is on the middle line (Flies), the second is on the bottom line (the), the third is on the middle line (black), and the fourth is on the bottom line (crow). A large red watermark is overlaid diagonally across the page.

Don't show the student the score yet!

Blue Sky

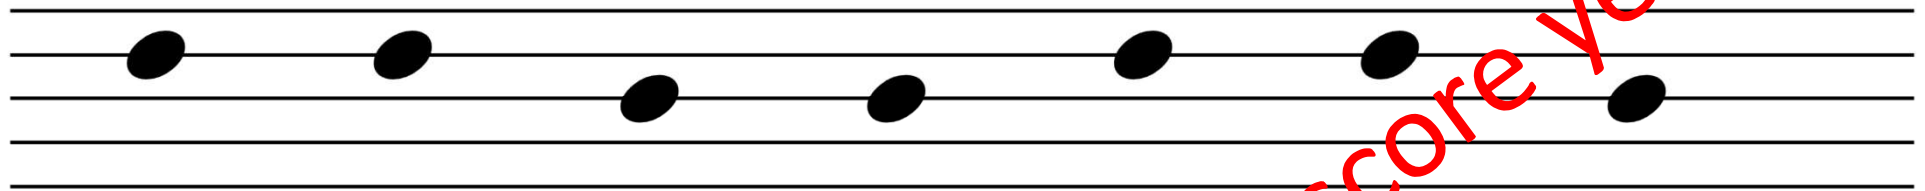

Low high low high

Touch the blue sky

Don't show the student the score yet!

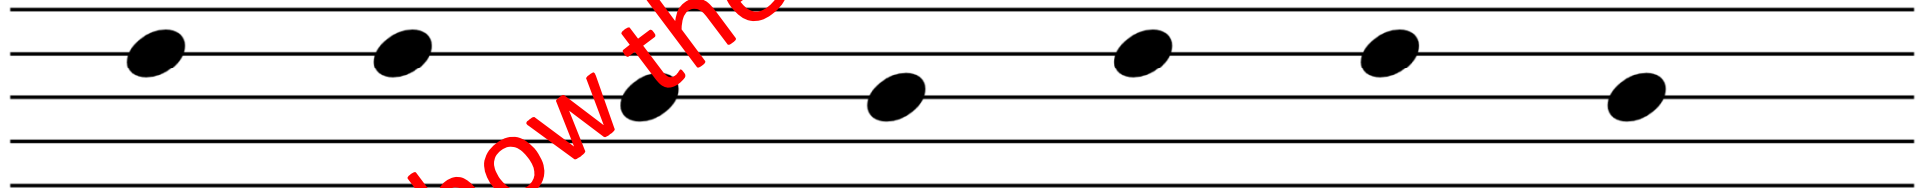

Cobbler Cobbler

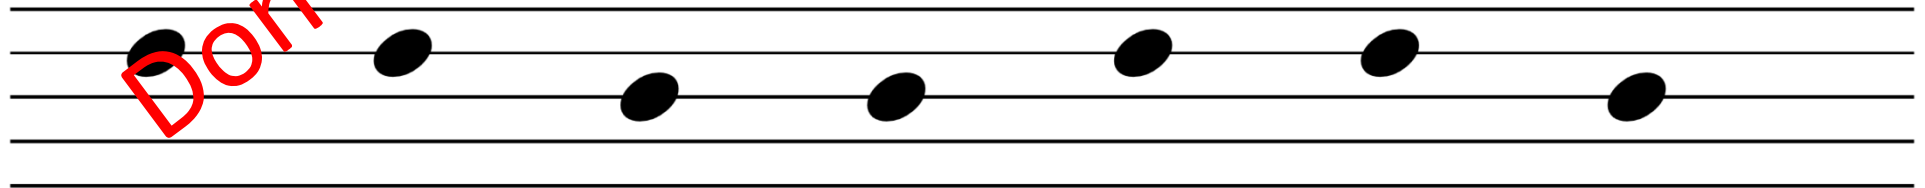

Cob - bler cob - bler mend my shoe.

Get it done by half past two.

Half past two is much too late.

Get it done by half past eight.

Don't show the student the score yet!
